My combined experience as an educator, videographer, and journalist have shown me that it is important to share our stories, so that we can learn from each other. Now, as a student of game design, I have found a new tool to aid me in connecting people. My hope is that my skills can help businesses both small and large get the word out about themselves.

WORK EXPERIENCE

- July 2016 - Present GAME DEVELOPER, SARI SARI STORYBOOKS (FREELANCE)
Create mobile-friendly web games using Phaser.js, HTML5, and JavaScript based on Sari-Sari Storybooks first three releases. Collaborate with artists and editors to create most interesting game play experience for children.
- Feb 2014 - August 2015 FREELANCE VIDEOGRAPHER
Using my video powers for good helping small businesses and non-profits create a clearer picture of their goods and services to customers using video. Collaborate with business owners to customize and shoot video about their businesses that are engaging, informative, and brand-building.
- M.Avery Studios SEWING INSTRUCTOR
March 2015- July 2015
Instruct children ages 6-12 in proper sewing practices, techniques, and machine safety. Collaborated with fellow instructors to create effective lesson plans.
- Language Trainers ENGLISH LANGUAGE TEACHER
March 2010 - Present
Utilize student interests to create engaging lessons twice a week. Used students' interests to create lessons that emphasized everyday communication and listening comprehension, on topics ranging from job hunting and interview skills to comparing gender roles in the home country and the United States.
- Fil-Asian Bulletin CONTRIBUTING WRITER
Aug 2004 - April 2008
Write and submit stories of interest to the newspaper regarding the Filipino-American community, or notable Filipino-Americans in the community. Pitch and solicit stories to editor. Cover local events such as performances and dignitary visits. Interview involved parties.

EDUCATION
